FAQ : renew its password

If you have lost your password, or if you're back on this site in 2012 after the migration, you must renew it.

For this, you must follow these steps:

1. **1:** From the home page, click "Identification"
2. **2:** Click on the "Request new password"
3. **3:** Specify your email address with which you usually connect
4. **4:** reaches an email shortly containing a link to change your password to you..
